EPS Newsletter

WELCOME!

Welcome back to our school newsletter.
We can't believe it is already Week 5!
It was lovely to see all the students looking so smart for photo day! We can't wait to see all their new photos!

UPCOMING EVENTS

- **Friday 5th June** - Curriculum Day
- **Monday 8th June** - Kings Birthday Public Holiday
- **Monday 15th June** - Pie Drive Orders Close
- **Thursday 18th June** - Pie Orders Delivered
- **Thursday 25th June** - Last day of Term for students - 2:30pm dismissal
- **Friday 26th June** - Parent-Teacher Interviews - no students on site

PIE DRIVE

Our annual Tony's Pie Drive is now underway, and the online portal is officially open for orders!

It's the perfect time of year to stock up on delicious pies – ideal for an easy weeknight dinner or quick family meal.
Orders can be placed by scanning the QR code in the attached order sheet. Students will also be bringing home order information, so make sure you check those school bags tonight!

Orders close at midnight on Monday 15th June, with all pies baked fresh and delivered on Thursday 18th June.

Every order makes a difference, with all funds raised going towards much-needed technology resources for our classrooms.

Thank you for your continued support!

ATTENDANCE

Every day counts when it comes to attending school! Even missing 10mins of school 5 days a week, adds up to 1.5 weeks of school a year!
The school gates open at 8:30am, music starts at 8:40am and learning starts at 8:45am.
Set your child up for success by encouraging and supporting them to be here for the start of the school day.

TOUCHING BASE THE GRADE 2'S!

In Literacy, students have been exploring the seven continents of the world. They have been learning factual information about each continent, including interesting landmarks, animals, climates, and cultures. As we “travelled” around the world together, students recorded key information and shared their discoveries with their classmates. It has been wonderful to see their curiosity and enthusiasm grow as they learn more about the world around them. Students found out that through art, stories can be told. Robbie was able to share his cultural background with 2A.

On Friday Grade 2 students were fund raising for Brain Cancer awareness month. Students were able to use this opportunity to dress up as pirates and enjoyed a fun filled Friday.

GRADE 5/6 POLICE INCURSION

Last week, the grade 5s and 6s were fortunate to welcome the Police Protection Unit to our school to speak with students about online safety and respectful relationships. During the session, students learned about the importance of keeping social media accounts private and being cautious about sharing personal information online, particularly with people they do not know.

The Police officers also discussed the serious impact that bullying can have, both online and in person, and encouraged students to be “upstanders” rather than bystanders encouraging students to speak up when they see unsafe or unkind behaviour and supporting others who may need help.

The session provided valuable reminders about making safe choices, treating others with kindness and respect, and helping to create a positive and supportive school community.

COMPASS REMINDER

Just a polite reminder that all communication relating to upcoming school events/Incursions/Excursion is currently communicated to families via Compass. It is important to keep an eye on all communication so no important information is missed. Excursions and Incursions are added via Compass, so families can see all relevant information and easily give consent and make payment in the same place.
There is one Compass log in per family.

If you have not received log-in details for Compass or are struggling to gain access, please contact the school office and we will be more than happy to help you if we can!

EPS Newsletter

2026 CURRICULUM DAYS

In order for parents to be better informed, we are sharing the dates for our Curriculum Days nice and early.

We hope this will help you prepare ahead (or book a long weekend 😊)

No students will be at school on the following days :

Friday 5th June

Monday 31st August

Monday 2nd November

These are the current approved Curriculum Days for 2026 so far.

YARD SUPERVISION

The school yard is supervised by a teacher on yard duty from 8.30am - 8.45am and 3.15 - 3.30pm. Students are expected to be picked up by 3.15pm each day and to **only enter the school grounds after 8.30am**. Gates will shut by 3:30pm and any students not picked up by 3.30pm will be sent to Kelly Club, with any cost being the responsibility of parent/carers.

Items of personal property that are lost, stolen or damaged at school are not the responsibility of Eynesbury Primary School or the Department. Staff and students are reminded not to bring items of value to school.

MEDICATIONS/PLANS

Medication

Dear Families,

If your child requires medication to be kept at school (such as for asthma, allergies, or other medical needs), please ensure you provide new medication along with an up-to-date management plan as soon as possible.
Please note that all medical management plans are required to be reviewed and updated annually to ensure we have the correct and most current information for your child's safety and wellbeing.
If you are unsure whether your child requires new medication or a current plan, feel free to contact the office for clarification. However, if you have not supplied medication or a management plan within the past 12 months, please take this as a prompt to do so now.
Thank you for your cooperation in helping us provide a safe and supportive environment for all students.

Kind regards,

PMI - SPOTS AVAILABLE!

therapy connect

Australia's leading NDIS registered online therapy provider.

Fully Virtual. Fully Flexible.

All our therapy is delivered online – no travel, no waiting rooms, no delays. Sessions can be accessed from home, school, childcare, or even on the go. We make support convenient, consistent, and easy to fit into real life.

Interactive. Practical. Results-Focused.

We use dynamic digital tools, engaging activities, and evidence-based strategies to keep sessions meaningful and motivating. Therapy is personalised to each individual, incorporating their strengths, goals, and interests to increase engagement.

Our approach is collaborative and practical – equipping families and participants with strategies that can be embedded into everyday routines, to support skill development.

Our Online Therapy Services

- Occupational Therapy
- Speech Pathology
- Dietetics
- Psychology
- Physiotherapy

Who We Support

We provide therapy to those using NDIS funding, Medicare plans, health insurance or paying privately. Our team is experienced in supporting children and adolescents with autism and developmental differences, while also delivering tailored services for teens and adults.

assessment 2 SQUARED®

Comprehensive Psychological Assessments

At Assessment Squared, we deliver impartial, evidence-based assessments for courts, legal practitioners, and clients throughout Australia.

Our Commitment

- Independent and unbiased opinions
- Clear, legally relevant reports
- Experienced clinicians familiar with court requirements
- Willingness to provide expert testimony when required

Why consider an assessment?

Clients and legal professionals seek assessments to:

- Clarify diagnoses and how psychological or cognitive conditions affect daily functioning
- Determine eligibility for supports, funding, or services (e.g. NDIS, Disability Support Pension, educational accommodations)
- Provide impartial, defensible expert opinions for court proceedings
- Identify psychological, cognitive, or behavioural factors relevant to legal matters
- Understand cognitive profiles, learning needs, and functional strengths and limitations

Assessment Services:

We offer a broad range of independent assessments including:

- Risk Assessments
- Psychological Assessments
- Neuropsychological Assessments
- Pre-Sentence Reports
- Parenting Capacity Assessments
- Cognitive and Intellectual Assessments
- Capacity Assessments (e.g. decision-making, consent)
- Mental Health Assessments (diagnostic clarification, fitness for purpose)
- Fitness for Court / Fitness to Plead Assessments
- Functional Assessments (daily living, adaptive functioning)
- Independent Expert Reports for legal and tribunal matters

PRIVACY INFORMATION FOR PARENTS AND CARERS

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

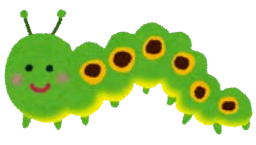
For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is ever referred to a specific health service at school, the required consent will be obtained.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we take steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see the school's privacy policy: https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx


Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.
