- **Friday 26th June** - Parent-Teacher Interviews - no students on site

STAFF UPDATE

We would like to thank Mr Michael Glowacki for his time as Acting Assistant Principal at our school. He is now needed back at his school and his last day with us was Friday, 29th May. We appreciate all the support he has given our school community over his short time with us.
Also, we would like to inform families that Ms Natalee McLeod has decided to leave the Department of Education and therefore, EPS. We would like to thank Natalee for her wonderful work over the last 18 months and wish her all the best in her new adventures. We will be working to employ a new Assistant Principal over the rest of this term.

ATTENDANCE

Every day counts when it comes to attending school! Even missing 10mins of school 5 days a week, adds up to 1.5 weeks of school a year!
The school gates open at 8:30am, music starts at 8:40am and learning starts at 8:45am.
Set your child up for success by encouraging and supporting them to be here for the start of the school day.

TOUCHING BASE THE GRADE 1'S!

Wow, it has been a jam packed busy term of learning in Grade One so far! Students have had particular fun through our Science units, 'Exploring our Solar System' and 'Materials Science'. They have been learning interesting facts about the planets, the earth's rotation and its orbit around the sun. We also kept a moon diary and discussed the changing phases of the moon; we were amazed to learn that Australia is one of the few places you can see the moon during the day!

It has been wonderful to see the students' enthusiasm for learning about science. The materials science incursion gave them a hands-on opportunity to mix materials and observe how some materials undergo physical changes while others undergo chemical changes. They also had an amazing time learning how materials are used in everyday life.

Grade 1 students put in a wonderful effort to help the school fund raise for Brain Cancer awareness month. Students were able to use this opportunity to dress up as pirates and enjoyed a fun filled Friday.

EPS Newsletter

DIVISIONAL CROSS COUNTRY

A big shout out and congratulations to Lyla C for coming 3rd at the Divisional Cross Country Championship on 27/05! What a great achievement!

An amazing effort was given by all participants and you were fantastics representatives of our school!

Well Done!

EPS Newsletter

PIRATE DAY

On Friday 15th May, students dressed up to raise money Childhood Brain Cancer charity. There were some incredible pirate costumes and be all account, everyone had a swash-buckling good time!! EPS raised in total, $316.25 for this amazing cause and we thank everyone so much for their generous donations. What an amazing community we have!

PIE DRIVE FUNDRAISER

Our annual Tony's Pie Drive is now underway, and the online portal is officially open for orders!

It's the perfect time of year to stock up on delicious pies – ideal for an easy weeknight dinner or quick family meal.
Orders can be placed by scanning the QR code in the order sheet. Students will also be bringing home order information, so make sure you check those school bags!

Orders can also be placed by following this link:
https://tonyspiedrives.com.au/fundraiser/eynesbury-primary-school/

Orders close at midnight on Monday 15th June, with all pies baked fresh and delivered on Thursday 18th June.

Every order makes a difference, with all funds raised going towards much-needed technology resources for our classrooms.

Thank you for your continued support

COMPASS REMINDER

Just a polite reminder that all communication relating to upcoming school events/Incursions/Excursion is currently communicated to families via Compass. It is important to keep an eye on all communication so no important information is missed. Excursions and Incursions are added via Compass, so families can see all relevant information and easily give consent and make payment in the same place.
There is one Compass log in per family.

If you have not received log-in details for Compass or are struggling to gain access, please contact the school office and we will be more than happy to help you if we can!

EPS Newsletter

2026 CURRICULUM DAYS

In order for parents to be better informed, we are sharing the dates for our Curriculum Days nice and early.

We hope this will help you prepare ahead (or book a long weekend 😊)

No students will be at school on the following days :

Friday 5th June

Monday 31st August

Monday 2nd November

These are the current approved Curriculum Days for 2026 so far.

YARD SUPERVISION

The school yard is supervised by a teacher on yard duty from 8.30am - 8.45am and 3.15 - 3.30pm. Students are expected to be picked up by 3.15pm each day and to **only enter the school grounds after 8.30am**. Gates will shut by 3:30pm and any students not picked up by 3.30pm will be sent to Kelly Club, with any cost being the responsibility of parent/carers.

Items of personal property that are lost, stolen or damaged at school are not the responsibility of Eynesbury Primary School or the Department. Staff and students are reminded not to bring items of value to school.

MEDICATIONS/PLANS

Medication

Dear Families,

If your child requires medication to be kept at school (such as for asthma, allergies, or other medical needs), please ensure you provide new medication along with an up-to-date management plan as soon as possible.
Please note that all medical management plans are required to be reviewed and updated annually to ensure we have the correct and most current information for your child's safety and wellbeing.
If you are unsure whether your child requires new medication or a current plan, feel free to contact the office for clarification. However, if you have not supplied medication or a management plan within the past 12 months, please take this as a prompt to do so now.
Thank you for your cooperation in helping us provide a safe and supportive environment for all students.

Kind regards,

PMI - SPOTS AVAILABLE!

therapy connect

Australia's leading NDIS registered online therapy provider.

Fully Virtual. Fully Flexible.

All our therapy is delivered online – no travel, no waiting rooms, no delays. Sessions can be accessed from home, school, childcare, or even on the go. We make support convenient, consistent, and easy to fit into real life.

Interactive. Practical. Results-Focused.

We use dynamic digital tools, engaging activities, and evidence-based strategies to keep sessions meaningful and motivating. Therapy is personalised to each individual, incorporating their strengths, goals, and interests to increase engagement.

Our approach is collaborative and practical – equipping families and participants with strategies that can be embedded into everyday routines, to support skill development.

Our Online Therapy Services

- Occupational Therapy
- Speech Pathology
- Dietetics
- Psychology
- Physiotherapy

Who We Support

We provide therapy to those using NDIS funding, Medicare plans, health insurance or paying privately. Our team is experienced in supporting children and adolescents with autism and developmental differences, while also delivering tailored services for teens and adults.

assessment 2 SQUARED®

Comprehensive Psychological Assessments

At Assessment Squared, we deliver impartial, evidence-based assessments for courts, legal practitioners, and clients throughout Australia.

Our Commitment

- Independent and unbiased opinions
- Clear, legally relevant reports
- Experienced clinicians familiar with court requirements
- Willingness to provide expert testimony when required

Why consider an assessment?

Clients and legal professionals seek assessments to:

- Clarify diagnoses and how psychological or cognitive conditions affect daily functioning
- Determine eligibility for supports, funding, or services (e.g. NDIS, Disability Support Pension, educational accommodations)
- Provide impartial, defensible expert opinions for court proceedings
- Identify psychological, cognitive, or behavioural factors relevant to legal matters
- Understand cognitive profiles, learning needs, and functional strengths and limitations

Assessment Services:

We offer a broad range of independent assessments including:

- Risk Assessments
- Psychological Assessments
- Neuropsychological Assessments
- Pre-Sentence Reports
- Parenting Capacity Assessments
- Cognitive and Intellectual Assessments
- Capacity Assessments (e.g. decision-making, consent)
- Mental Health Assessments (diagnostic clarification, fitness for purpose)
- Fitness for Court / Fitness to Plead Assessments
- Functional Assessments (daily living, adaptive functioning)
- Independent Expert Reports for legal and tribunal matters

PRIVACY INFORMATION FOR PARENTS AND CARERS

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

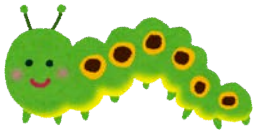
For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is ever referred to a specific health service at school, the required consent will be obtained.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we take steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see the school's privacy policy: https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx


Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.
