Interviews will be held on Friday 26 June, which will be a student-free day. Students are encouraged to attend interviews with their parents/carers where possible.
Each interview will run for 15 minutes. Please ensure you arrive on time, as appointments must run to schedule and late arrivals may result in a shortened interview time.
Please note that students will finish school at 2:30 pm on Thursday 25 June prior to the student-free day.
We encourage all families to make a booking and take advantage of this important opportunity to connect with teachers

ATTENDANCE

Every day counts when it comes to attending school! Even missing 10mins of school 5 days a week, adds up to 1.5 weeks of school a year!
The school gates open at 8:30am, music starts at 8:40am and learning starts at 8:45am.
Set your child up for success by encouraging and supporting them to be here for the start of the school day.

TOUCHING BASE WITH THE PREPS!

Term 2 has been filled with incredible growth in all areas. Continued focus on our letter sound knowledge has show us grow our blending skills. Students have been hard at work practicing letter formations to ensure legible handwriting. Counting to 20 and comparing collections using vocabulary such as 'more' and 'less' has never been more fun. We have also begun some scientific investigation into the use of force, push and pulls in every day life!

A NOTE FROM 2C!

We have just finished learning all about Japan. At the end of the topic we used the traditional Japanese art form to make a Pikachu. I was so amazed at how well they did - Ms Sue, 2C

INSURANCE

STUDENT ACCIDENT INSURANCE, AMBULANCE COVER AND PRIVATE PROPERTY BROUGHT TO SCHOOL

Parents and guardians are reminded that the Department of Education and Training (DET) does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident/insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs.

The DET cannot provide advice to parents or guardians on the purchase of individual student accident policy or ambulance cover. Insurance policies can be purchased from commercial insurers. Private property brought to school by students, staff or visitors is not insured and the Department does not accept any responsibility for any loss or damage. This can include mobile phones, watches, scooters, bikes, head phones, sporting equipment and cars parked on school premises.

As the DET does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property, students and staff are discouraged from bringing any unnecessary or particularly valuable items to school.

PRIVACY INFORMATION FOR PARENTS AND CARERS

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

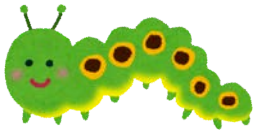
For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is ever referred to a specific health service at school, the required consent will be obtained.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we take steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see the school's privacy policy: https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx


Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.
